XMAS PARTIES FOR KIDS PLANNED BY REC. DEPT. AT LOCAL THEATERS

Students at primary and elementary schools throughout the ity will be treated to a dual heater party at both the Daly ity Theatre and Crest Theatre n Monday, December 20, in a ree Christmas show sponsored y the Daly City Recreation ommittee. Members of the arent Teachers Associations nd the Mother's club, Our Lady f Perpetual Help school, are ssisting in the arrangements.

Phil Zenovich, manager of the rest, and Les Immermann, Daly ty Theatre head, are cooperating make both picture houses avail- le for the Christmas party. Costs the Daly City Theatre program ll be donated for the occasion by rs. J. W. Marchbanks. Grammar hool pupils will receive their free kets at their respective schools.

The theaters will open their ors at 12 noon, and the program ll commence at 12:30.

A main feature, five or six car- ons, comedies, community sing- g, etc. are scheduled at each of e shows, with the entertainment anned to go on for two and one- lf hours.

Santa Claus will appear in person the stage to distribute candy to e school kids.

School authorities will distribute kets to each student, and pupils ll attend a theater designated in vance, so as to avoid congestion. Parents were urged to make ans accordingly, so that their ildren will be on hand for what omises to be one of the biggest ildren's Christmas celebrations er staged locally.

Heated Friendship Gets Out Of Hand

"Friendship" proved to be expensive for Richard E. Turner, of 191 McKinley avenue, San Francisco, last week.

Turner was cited for disturbing the peace and fined $25 in Judge William J. Sweeney's municipal court Friday.

"We was just fightin' — my friend and me," was Turner's laconic account of the incident.

The "friend," James M. Anderson, 555 Anderson street, San Francisco, drew a similar fine.

HAMMAR, MARCHI WIN ASSN. POSTS

Mack Hammar, Daly City service station operator, was elected president of the San Mateo chapter, Northern California Service Station Operators Association at a meeting in San Bruno Tuesday. Paul Marchi, another local resident, was named treasurer of the organization.

Vice-president is John Romano, Burlingame, with Stan Machado of San Mateo taking over as secretary. Glen McCaffrey and Clyde Osborne were elected trustees.

The association is actively opposing attempts to install self-service gasoline stations in the county.

Saturday Is Last Day To Apply For Water Dept. Jobs

Applications for two civil service positions in the municipal water department must be filed with the city clerk by noon, this Saturday. Application blanks may be obtained at the city hall, according to B. C. Ross, city clerk.

The two positions are: Male Chief Clerk, salary $260 per month, and male or female Clerk-Cashier, $170 to $200 per month.

Examinations for the two positions will be held early in January, and successful candidates are expected to be selected and on the job shortly thereafter.

The two openings arose by the resignation of Mrs. Muriel Jones and Mrs. Barbara Parodi, who have handled the water collection office to date. Mrs. Jones has already left her position and is being replaced temporarily. Mrs. Parodi leaves her job on December 16.

Local Resident Shaken Up In Auto Accident

Ernest E. Boston, 79 Parkview avenue, was slightly injured Friday in an auto-truck accident at Alemany boulevard and Tingley street.

Boston was riding in a car driven by Keith B. Marshall, also of 79 Parkview avenue, when a truck darted out in front of the oncoming car. The front of Marshall's car was damaged.

VFW POST HOLDS 1948 CHRISTMAS PARTY ON FRIDAY

Members of Old Glory Post 2044, Veterans of Foreign Wars, and the Auxiliary, celebrate their annual Christmas Party Friday night, December 10, at Little Italy Hall, opposite the Daly City Theatre, on Mission street.

Commander William J. Sweeney Jr. asked all members to appear for the occasion and to bring a man's gift not to exceed one dollar in value. Gifts will be exchanged at the party, and refreshments will be served by the Auxiliary.

Sweeney reported that the local post has presented a 16 mm. movie projector to patients in the Palo Alto Veterans Hospital, as a Christmas gift to those veterans who are still undergoing hospital care.

ANDERSON'S OPEN 'TIL 9 P.M. 'TIL CHRISTMAS

Open every evening until 9 p.m. is the new motto at Anderson Refrigeration and Appliance Co. at 7046 Mission street. These late hours will be maintained until Christmas, as a convenience to the many local people who plan to purchase radios or appliances — a gift for the whole family — at Christmas time.

Special attraction this week at Anderson's is a sale of Westinghouse radios and radio-phonograph combinations, at reduced prices.

Two Killed, Seven Hurt In Thornton Beach Auto Crash

Two persons were killed and seven injured in a two-car crash on the coast highway near Thornton Beach during the rain Saturday.

Harry LaFrance, 17, of Rockaway Beach, and Kenneth Peck, 19, of Sharp Park, died at Junipero Serra Hospital a few hours after the crash.

Frank Shirado, 24, of 335 Miriam street, driver of the car containing seven youths, was the only one to escape unhurt from the accident. He was held at the county jail on a manslaughter charge, with bail set at $1,000.

Other passengers treated at the hospital and later released were Carroll Peck, 18, brother of Kenneth, broken knee and face injuries; Raymond Jones, 18, and John Regan, 17, of Sharp Park, and Peter Stender, 19, of San Francisco. All received cuts and bruises.

Shirado's car collided with one travelling in the opposite direction driven by Harold Winslow, 41, of Sharp Park, who suffered a fractured knee and ankle and possible chest fracture. His wife Patricia suffered from a broken nose and possible fractured ribs, and 2½-year-old Stephen Mansfield of Sharp Park, cuts and bruises. These three were taken to South San Francisco hospital.

Answer That Christmas Seal Letter

State Department Of Education Says Woodrow Wilson School Site Doesn't Meet Requirements For More Classes

STATE OF CALIFORNIA
Department of Education
Sacramento

November 29, 1948

Board of Trustees
Jefferson Elementary School District
344 Santa Barbara Avenue
Daly City, California

Gentlemen:

This letter is for the purpose of giving you in writing the answers to certain questions raised during the conference in our office today.

1. You raise the question whether or not as of today the State Department of Education is still giving unqualified support to the over-all district school plant program which it approved in writing July 1, 1948.

The answer to that question is yes. This Department today is still of the opinion that that approved program is the best and most logical long-term program in the interests of the children of the district and sound investment of school district and state funds.

2. You raise the specific question in regard to the relationship of monies raised locally by bonds and the state funds tentatively allocated in connection with the financing of the over-all approved school needs mentioned above. More specifically, you ask whether or not if the returns of the local bond issue were spent as the board saw fit without relation to the approved over-all plan, the State would then finance the remainder of the facilities approved in that over-all plan.

The answer to this question is that once a school district becomes an applicant for state aid the entire resources of funds to finance the approved plant needs in that district must necessarily be screened to determine eligibility for participation in state aid. It should be evident that if local funds were expended contrary to such screening the limited state funds available could not be used equitably to provide classrooms where they are most needed. When a district becomes an applicant its funds are automatically placed in the same expenditure pool with the state funds, and the expenditures from the entire pool must conform to the state screening procedure under the austerity program.

3. You also raise the question as to what position this office would take should your board decide to discard the present over-all district plan and proceed with the development of an alternate over-all plan.

It is the policy of this Department to cooperate fully with a board making such a request. However, it must be pointed out (1) that the alternate plan proposed, when state aid is involved, would of necessity be in conformity with what this Department can approve; and (2) it must be taken into account that all architectural plans and specifications that have been developed in connection with the program which was adopted in July would be lost and the planning procedure would need to begin all over again. This is important because of the matter of months it normally takes to develop a set of plans and specifications that can comply with the earthquake, fire and panic safety laws of the State.

Specifically, in connection with this question, you ask whether or not if such a revised over-all plan included the construction of 8 classrooms in addition to those already approved on the Woodrow Wilson site would the State Department of Education approve it for state aid?

The answer is that the State Department of Education can approve for state aid no more facilities on the Woodrow Wilson site than have already been approved. This Department on grounds of educational usefulness would oppose the placement of more permanent classrooms on so small a site no matter how financed.

IN SUMMARY OF THE ABOVE IT SHOULD BE CLEARLY UNDERSTOOD THAT AS LONG AS THE DISTRICT IS AN APPLICANT FOR STATE AID IT CANNOT AWARD A CONTRACT ON THE WOODROW WILSON SITE FOR MORE HOUSING THAN HAS BEEN APPROVED ON THAT SITE. AN ALTERNATIVE LOCAL PROPOSAL TO SPEND ALL OR NEARLY ALL OF THE $348,000 REALIZED FROM THE SALE OF DISTRICT BONDS, ON THE WOODROW WILSON SITE IS OPPOSED BY THE STATE DEPARTMENT OF EDUCATION AND THEREFORE WOULD NOT BE ELIGIBLE AS PART OF A STATE AIDED PROGRAM.

Very truly yours,
CHAS. BURSCH
Assistant Division Chief
School Planning

$7,500 Damages In Two-Alarm Fire At Bellevue St. Home

A two-alarm fire early Sunday morning almost completely destroyed a home at 384 Bellevue avenue, as all four volunteer fire companies fought the blaze for nearly two hours.

Apparently starting in the basement garage, the fire destroyed the family automobile, furniture and portions of the house itself. Damage was estimated at $7,500 by Fire Chief Elmer Kennedy.

Awakened as flames burst through the floor in the early morning hours, veteran Buster Hazel rushed his two infant children to safety in the street as his wife turned in the first alarm. The two children had only recently returned home from Children's hospital, where they had received polio treatment.

SCHOOL BOARD VOTES TO PROCEED WITH BUILDING PROGRAM

DRIVE SLOWLY, 35 MPH ON JUNIPERO SERRA

Watch your step while driving on Junipero Serra boulevard.

With installation of warning signs along the highway, motorists are notified that the new speed limit on that thoroughfare is 35 miles per hour.

Daly City police were carefully patrolling the area this week, controlling traffic and warning speed violators.

After giving drivers an opportunity to become acquainted with the new speed limit, police will issue traffic tickets for speed violators, according to Police Chief W. W. Sunderland.

After receiving written notice from the State Department of Education and the State Department of Finance to the effect that any change in the proposed school building program might affect availability of State funds, the Jefferson School District board of trustees voted unanimously to proceed with the State - approved building program in a public meeting last Thursday at 344 Santa Barbara avenue.

A large crowd was present to hear discussion of the controversial school program by Trustees Bertetta, Callan and Van Der Werff.

One group of citizens had demanded that the condemned Woodrow Wilson elementary school, which was closed last week, be torn down and a new school erected in its place. The State-approved plan called for the school to be torn down after completion of new buildings at Garden Village and at Hillside boulevard and Market street, but it was not intended to renew the 30-year-old structure.

The State Department of Education had approved four new rooms for Woodrow Wilson primary, but State officials declared, when asked if approval could be obtained for the renewal of Woodrow Wilson elementary, "The State Department of Education can approve for state aid no more facilities on the Woodrow Wilson site than have already been approved. This Department, on grounds of educational usefulness, would oppose the placement of more permanent classrooms on so small a site no matter how financed."

The school district has voted bonds in the amount of $348,000. To this the state, declaring this area a distressed school district, has made available an additional $480,000 in State funds, but insists that State officials must approve the manner in which the total amount is expended.

The board moved to appoint a small citizens committee to meet with State officials, in order to obtain a better understanding of the overall school building program. Persons desiring to serve on this committee were invited to submit their names to the school district board of trustees at 344 Santa Barbara avenue.

In other matters, the board approved a leave of absence for teacher Mrs. Otha Kinsey and terminated the contract of Mrs. Patricia Durand. Mrs. Mabel Vicain was employed as a substitute for Mrs. Kinsey and Miss Jane Leiberman was employed on contract, replacing Mrs. Durand.

TOM STANGHELLINI ELECTED TO HEAD MERCHANTS ASSOCIATION; GROUP IS AGAINST INCREASED LICENSE TAXES

Former Daly City Five Year Old Succumbs To Burns In Match Tragedy

Five - year - old Diane Barbara Arteseros of San Bruno died Tuesday as the result of burns received while playing with matches.

The child's flannel nightgown caught fire when she dropped a lighted match into her lap. Her mother, Mrs. James Arteseros, succeeded in putting out the blaze by rolling her daughter in a blanket, but the ltitle girl died later in Mills Memorial hospital.

A blessing was held this morning, Thursday, at 10:30 a.m. from the mortuary of W. C. Lasswell. Interment was in Holy Cross Cemetery. Rosary was recited last night.

The child's parents are former residents of Daly City. Other survivors include her sisters Gloria, Carol, and Sandra, and brothers David, Gerold, and James, and grandparents, Mr. and Mrs. Walter Sanderson, Josephine and James Arteseros and a great-grandmother, Mrs. Nora Crawford.

Tom Stanghellini, popular proprietor of Lucca's Market, was elected president of the Daly City Merchants Association at a meeting held in the city hall Monday night. Frank Lombardi, of Lombardi's Service Station, was elected vice-president, with Ted Hopman, appliance dealer, winning re-election as secretary-treasurer, and Nate Pearlman, painting contractor, being installed as sergeant-at-arms.

Approximately 60 of a potential membership of 350 were present at the meeting.

Outgoing President Peter J. Markovich turned the gavel over to Stanghellini at the conclusion of the meeting.

The merchants discussed chances of decorating Mission street for the Christmas holidays, but decided this was too costly and dropped the matter. One hundred dollars was donated to the Daly City Boys Club for Christmas, however.

The group discussed a proposed new business license ordinance and expressed themselves as generally being against increases suggested by the city council. They asked for a meeting with the council on December 20, to discuss the over-all business license picture.

Stanghellini said he hopes to weld the merchants organization into an active group which can accomplish good for the city as well as the merchants themselves.

Dennis Re-elected As Union President

Edward J. Dennis, former city councilman and well-known union leader, was unanimously re-elected president of Local 226, AFL Milk Wagon Driver's Union, at an election held by that organization last week. Election was by acclamation. Dennis, who just completed his first year as president of the organization, had formerly been business agent for the union.

Local 226 has jurisdiction over all milk drivers in San Francisco and San Mateo counties.

Also elected, with Dennis, were Fred J. Wettstein, secretary, and Stephen F. Gilligan, business representative, who won unanimous approval of the members of Local 226.

Groceries Are Higher In Court Than In Store

A local resident found out what real inflation is like last Friday, as he paid $100 for $1.31 worth of groceries in municipal court, after being found guilty of shoplifting at King's Market last week and fined $100 by Judge William J. Sweeney.

The groceries he was accused of pilfering included a half pound of butter, half pound of cheese and some spice. The goods would have cost him $1.31 across the counter.

At the trial he maintained that he was only leaving the store to make certain his car was locked, and intended to return to pay for the groceries.

Home Builders Council Of California Say Building Costs Going Higher --- $6,000 Home Just Wishful Thinking

CITY HALL GETS CHRISTMAS LOOK

The city hall was taking on a holiday look this week, with city employees decorating the building and grounds with festoons, lights and miniatures for the Christmas season.

Water works employees Gus Ford and Bert Leahy were busy today putting the finishing touches to the lights on the building and shrubbery.

Prediction by a ranking federal official that the home building industry is ready to sell homes for $6,000, today brought stinging criticism from the Home Building Council of California. Council Secretary Milton W. Morris called the statement which was made by Raymond Foley, head of the Housing and Home Finance Agency, ill-considered and based on wishful thinking.

"The public is being completely misled by promises of this kind," Morris said.

"Land prices are at an all-time high. Some building trades unions have already received a fourth round of wage increases and the others will soon follow. Building material prices, with the exception of lumber, are still rising. Under these conditions how can we sell homes for $6,000?

"It could be done but the finished house would be so small that no one would buy it and no lending institution would finance it."

The council spokesman pointed out that the U. S. Departments of Labor and Commerce have already forecast a 5 per cent increase in construction costs in 1949.

Discussing the question of low cost housing research, Morris said the council was stressing it through an Economy Home Contest which is to be concluded this month.

"Experts in seven western states entered plans," Morris declared, "and most of the designs were disqualified because they could not get down to the $7,750 construction ceiling price.

"To our knowledge," he added, "no one in northern California has been able to market a livable home, complete with lot, for less than $7,300. This would seem to indicate that Mr. Foley's prophecy is based on theory and wishful thinking rather than reality."

South American Mails Letter, Fire Engines Arrive On The Double

What funny customs we Americans have!

At least that must be the impression of Mrs. Gilbert Tuiguers, who recently arrived here from South America and is residing at 251 Evergreen street.

On Monday, Mrs. Tuiguers desired to post a letter, and asked the location of a postal collection box. On being told there was one at the next corner, she sauntered down to mail her letter.

There was a little lever on the box, and, seeing no opening for the letter, the South American visitor pulled the lever.

She was rewarded by the wailing of sirens, as the local volunteer fire department came rushing to a call at fire alarm box 47, at Evergreen and Brunswick.

Mrs. Tuiguers says one of the first things she has learned about America is that the mail boxes are not painted red.

Catholic Ladies Aid Plans Christmas Whist

A Christmas Whist will be held at 8:30 p.m. December 14 at St. Michael's church, 32 Broad street, by ladies of the Catholic Ladies Aid Society.

Mrs. Louise Buckholz is the chairlady.

P.T.A. Executive Meet

The executive board of the Colma P.T.A. will meet at 1 p.m. December 29 at 156 Mateo avenue, with the president, Mrs. Hilda Dennis, as hostess.

COUNTYWIDE TAXPAYERS MEETING SET FRIDAY NIGHT AT SAN MATEO

In a move aimed to put a stop the upward sprial of property xes, a county-wide meeting of operty owners is scheduled at p.m. Friday night at the city hall San Mateo. Taxpayers through- t San Mateo county were invited attend and bring their tax bills r the past three years as evidence the upward trend in county xes.

F. S. Fenton, temporary chair- an of the taxpayers group, said is planned to organize sub-com- ittees in every community in the unty to fight increased taxation. Property owners throughout the unty have taken exception to arp increases in their county tax lls. Fenton said a taxpayers oup should be represented at ery meeting of the board of pervisors to keep a sharp eye on unty expenditures.

Pearl Harbor Forgotten?

Tuesday was just another day, this week.

There was no excitement, no demonstration, and no commemoration of a special occasion.

What was Tuesday?

It was December 7 — the seventh anniversary of Pearl Harbor, a black day in 1941 which should never be forgotten by the American people.

Ralph Gutierrez New Starway Chef

The cuisine at The Starway, hich is now open under new man- ement, took on an added attrac- on this week with the announce- ent of Ralph Gutierrez as chef.

Ralph, formerly of The Three viss and Vanessi's, took over im- ediately by employing an entirely w bill of fare at the local estab- hment, designed for discriminat- g customers.

Fred Sutton, Starway manager, nounced plans for first class usic and entertainment, also.

Thornton School Kids Hold Party

The meeting room at R. F. Thornton school was gaily decorated in the Yuletide theme for the Christmas party of the Colma P.T.A. held last Tuesday.

Children of the school presented the program which included songs, dances and recitations from the first grade class, recitation from the second and third grades, a Christmas pantomime by the third and fourth grades, and a pageant of group choral work and readings by the fifth and sixth grades.

The committee in charge of the program included the Mesdames Verna Paoli, Julie Bertetta, Victorica Gregori, Grace Ferguson. Popcorn, home-made cookies were served to the children and ice cream and cookies served to the parents.

Archbishop Mitty Outlines Purpose Of $750,000 Building Fund Appeal To Help Prevention Of Child Delinquency

Civic leaders of San Mateo coun- will gather in St. Matthew's au- torium, San Mateo, this Thursday ght (December 9) at 8:15 o'clock, hear Archbishop John J. Mitty tline the purpose of the $750,000 ilding fund appeal to expand the ork of the Sisters of the Good epherd in a new program for evention of juvenile delinquency.

Archbishop Mitty is honorary airman of the appeal which will en January 24, to run through bruary 14, and which will cover counties of northern California.

Robert A. Higgins, 2308 Hale ive, Burlingame, San Mateo unty chairman for the appeal, ll preside at the meeting. An- ew J. Lynch, general committee airman, will tell plans for the mpaign and the manner in which rious communities are mobiliz- g. Other speakers will be Judge lmund Scott of the Superior urt, vice chairman of the San ateo County committee, and An- ew J. Conway, who will act as its cretary.

Mrs. George T. Cameron is chair- an, and Paul Fay co-chairman, the special gifts committee, hich already is at work seeking ntributions from industries and ge donors.

Purpose of the appeal, which has e approval of juvenile authorities northern California, is to add ing quarters and other facilities r 100 girls to the Convent of the Good Shepherd, 501 Cambridge street, San Francisco.

There approximately 150 girls from all over northern California now are being trained and cared for by the Sisters, under a program which rehabilitates these wards of the juvenile courts, schools them and returns them to the outside world with every chance to lead a normal, happy, self-sustained existence.

Because of lack of quarters and facilities for segregating them from these girls, many other youngsters, victims of broken homes or comparable circumstances — "pre-delinquents" in the sad, wise term of social workers — cannot be admitted to the school.

Many of these are admitted, later — full-fledged delinquents because there was no agency to help them — hence, the Sisters' prevention plan.

The Home, which has been in existence for 16 years, with a record of more than 2200 girls brought back to the paths of normal living, is non-sectarian. More than half of the girls living there at present belong to faiths other than Catholic —and, under a strict regulation, may not change their beliefs while residents at the Home.

The appeal will be carried out along similarly non-sectarian lines, with the individual communities serving as campaign units, and with community chairmen representing virtually all faiths.

Unlicensed Solicitors Targets For Police

Daly City police were attempting a crackdown on door-to-door solicitors this week, after complaints were received that unlicensed solicitors were operating in the city.

City ordinances require that each solicitor obtain a license permit at the police department before operating within the city limits.

Police asked the cooperation of residents and merchants, and said these people should ask solicitors to show their permits. Solicitors who are without credentials should be reported to the police at JUniper 5-4212.

UNLOCKED AUTOS ARE THIEVES' EASY MARK

The importance of locking your car when it is parked with valuables inside, was demonstrated again last week when two fur coats were stolen.

The coats disappeared from the car of Laura Isabelle Dickman, at El Camino Real and Junipero Serra boulevard, on December 2.

Daly City police have emphasized the need for locking parked cars, pointing to a wave of pilfering in recent months.

LEGION PROMOTES KIDS XMAS PARTY

A big time, with Santa Claus doing the honors, is set for next Saturday night at American Legion Hall, 474 San Diego avenue, according to Ralph Capps, commander of Daly City Post No. 410.

At that time, all Legionnaires' children under 12 years of age will be feted at the Legion's annual Christmas party, with Santa Claus himself presiding at the affair. Legion members are asked to give names of their children to Mrs. Ann Welch, 334 Pennsylvania street, who is making a list for Santa, Capps said.

THIS WEEK IN HISTORY — Bill of Rights

One hundred and fifty-seven years ago this week (December 15, 1791) the Bill of Rights — those first ten amendments to the Constitution of the United States—became law.

Are you familiar with these amendments? Here they are briefly:

Art. I — Guarantees freedom of religion, of speech, of the press and the right of petition.

Art. II — Establishes right of people to keep and bear arms.

Art. III — Specifies when and how soldiers may be quartered in private homes.

Art. IV — Protects gainst search or seizure of private property without a warrant.

Art. V — Provides for due process of law in prosecution for a crime; prevents an accused person from being put in jeopardy twice on one charge; exempts an accused from testifying against himself; requires compensation to owner when property taken for public use.

Art. VI — Establishes the right of an accused person to a speedy public trial before an impartial jury.

Art. VII — Gives the right to a trial by jury in common law cases in which the controversy exceeds $20.

Art. VIII — Prohibits excessive bail, fines or cruel punishment.

Art. IX — Deals with rights retained by the people, not mentioned in the Constitution.

Art. X — Clarifies rights of states under the Constitution.

ABANDON "THE ROCK"?

The world-famous, somber-looking chunk of rock which springs up suddenly in San Francisco Bay near the Golden Gate may lose its carefully-selected and carefully-guarded tenants, Uncle Sam is giving some thought to abandoning Alcatraz as a prison. The reason is that operation costs there are 2½ times greater than they would be if the prison were located elsewhere. Federal authorities favor a more central location for this super-prison. One factor which may delay any change for some time is that it would cost about $7 million to set up another penitentiary comparable to Alcatraz. Besides this, the federal government has more than $3 million invested in "The Rock." Most of the money was spent on equipment which makes it virtually impossible for "guests" to leave without notice. If the people in the San Francisco Bay area feel the same now about Alcatraz as they did nearly 15 years ago they'll welcome its abandonment. But by this time it probably doesn't make much difference to them. They never meet the "residents" of the island socially.

NO RECOUNT

There is definitely a note of sour grapes in the suggestion of some Republican committeemen that a recount be considered in California, Ohio and Illinois where President Truman's margin of victory was small. The count in these states is now official. The implication is that maybe Mr. Truman really wasn't elected after all. Such a view is not shared by the great majority of Republicans. Shocked though they were at the outcome of the balloting they have accepted it with much more sportsmanship than the committeemen who would now cast doubt on the final figures. Governor Warren made his position clear when he declared: "As far as I am concerned, the election is over. In California we pay off on the scoreboard. It was an honest election." This is the spirit in which the G.O.P. should face the future. The need is to build strength for 1952 — not gripe about 1948.

DENTLESS FENDERS

One of the principal causes for anger, arguments and insurance may soon be eliminated from the American scene. A dentless fender has been invented. Try as you will you can't knock it out of shape — or, at least, you won't be able to when it is put on the market. The new creation is made of plastic with a secret hardening liquid poured over it. It's impervious to abuse even to the extent of shrugging off a 12-lb. sledgehammer without showing signs of contact. Just think what this means. Friend wife starts to back the car out of the garage. Crunch! She has hit the garage door. The door is badly chewed up (sorry, Mr. Landlord), but the fender — ah, still in perfect condition. Another example: Two cars meet at an intersection. Each driver wants the right-of-way. Each keeps going. Nothing to worry about. The cars smash together — except that nothing smashes, except the skulls of the two drivers as they sail through their respective windshields. Maybe the hardening liquid should be used on the heads of stubborn motorists.

Tom Laramie Jr. Rates All-League Grid Honors

Tom Laramie, junior at Serra High School in San Mateo, has been chosen as first string halfback for the all-Catholic high school grid team in the Northern California Catholic Athletic League.

Tom, the son of Mr. and Mrs. Thomas Laramie, 57 Cavour street, was described by one publication as the "most consistent performer in the league."

The California sardine catch, once accounting for a quarter of the United States annual weight of fish, has fallen to one-seventh of its peak.

Schmidts, Old Family, Moving Out Of Town

Mr. and Mrs. Albert Schmidt, 166 Flournoy street, left Tuesday for Maywood, California, where they will make their home. They will live with their son-in-law and daughter, Mr. and Mrs. James P. Ward, formerly of 27 Rice street, until they find a home for themselves.

The Schmidts have lived in Daly City for the past 38 years. Mr. Schmidt is a retired federal civil service painter.

The Civil Aeronautics Administration has reported at the end of last year that there were 87 registered civil aircraft in Butte county.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

Violet G. Anderson, 298 Miriam street.
Willie Frazier, 1118 Brunswick street.
J. L. Jordon, 134 Parkview avenue.
Albertina Simonini, 140 Bruno avenue.
Herbert W. Hays, 996 Brunswick street.
John La Duca, 131 Thiers street.
George Lehto, 215 Alexander street.
Martin Palacio, 45 Muirwood drive.
William Robertson, 543 Hillside boulevard.
D. Aiello, 324 San Jose avenue.
T. Savatheff, 423 Irvington street.
H. L. Davi, 230 Santa Barbara avenue.
Otto Barted, 81 Tallwood drive.
George Archer, 74 Evergreen street.
Graci Derrera, 1084 Brunswick street.

Two Showers Given For Miss Vernengo

Honoree at two recent bridal showers was Miss Doris Vernengo, daughter of Mr. and Mrs. Charles Vernengo, 398 Bellevue avenue, who will be the January bride of Frank Rehe Jr.

Mrs. Jerry Galindo Jr. and Miss Jo Mallamo were hostesses at a grocery shower given December 3 for the bride-elect at the home of Mrs. Joseph Gregor, 244 Acton street.

Refreshments served included macaroni and potato salads, sandwiches, fruit salad, relishes. The table was centered with candles and a white-tiered cake made by Mrs. Gregor. The cake was topped with a wedding bell.

Present at the shower were Mesdames John Bodmer, Joseph Gregor, Jenny Jennings, Charles Jennings, Amalia Calderon, Ramon Calderon, Angelo Moresco, John Mosman Sr., Ralph Capps, Bill Freeman, George Perada Jr., Robert Sherwood, Howard Capps, Charles Vernengo, Frank Rehe Sr., Angelo Boschetto, Jerry Galindo Sr., Ben Parodi, John DeMetris, Myron Heggum, and Richard Little, and the Misses Florence Neto, Karen Lynn Moresco, Esther Galindo, Marilyn Mosman, Corrine Cuneo, Jo Mallamo.

Unable to attend were Mrs. Thelma Little and Mrs. Alfred Rich.

A sterling silver shower was given recently for Miss Vernengo by her sister, Mrs. John Bodmer, at her home, 808 Heather road, Broadmoor Village. Guests included Mesdames Robert Sherwood, M. Abramson, Thelma Little, Jerry Galindo Jr., Frank Rehe Sr., Charles Vernengo, Stanley Wilson, Ann Young, V. Bruno, A. Molfino, P. Molfino, George Perada Jr., Richard Little, Ralph Capps, John Bodmer, and the Misses Jo Mallamo, Marilyn Mosman, Corrine Cuneo. Others were unable to attend.

TRAFFIC COURT

Forty-three motorists were fined for violations of Daly City's traffic ordinances last week.

Exceeding the speed limit and fined $7.50 were Joan Patricia Hammond, Charles F. Henery, Hugo M. Hultberg, Emily Matthews, Isadore Martinez, Joseph Argilla, Rita Benedict, Everett Base Dorothy Crowley, Larry Del Bucchia, Sam Eisenbert; fined $5 were Robert Moore, Donald Robinson, William Struthers, Waldana Bach, Gleneva Davidson, Thomas Craig, Edward Dettner, Lawrence Hodden; fined $2.50 were Albert Massagli, Elmer Spinden, Paul Zimmerling, Clarence Angel; fined $15 was Nufo Caravantes.

Fined $2.50 for improper parking were E. D. Johnstone, Eugene Donahue, Robert Coolidge, Jaran Rodizno, Leo Collar; fined $1.50 were Jean Lambert, Christopher Maniscalco, Carl J. Horak, James Burns, Thomas Jones, L. H. Colmer. For three violations Clara Siegfriend was fined $4.50 and Gene O'Brien, $7.50.

A noisy muffler cost Ernest Soto Jr. $5. Signal violators paying $2.50 each were Edward Alvin Keith, Pearl Russell, Keith Schaefer; Amelia M .Adare.

Mary J. Lopez

Mrs. Mary J. Lopez, 88-year-old resident of Daly City died December 5 in her home at 145 Flournoy street. The aged woman had been ill since May.

A native of Mexico, Mrs. Lopez had lived most of her life in California, 20 years of which was spent in Daly City.

Surviving are her children, Sabina Lopez, Mrs. Marie Bini, Mrs. Charlotte Davis, Mrs. Elizabeth Jankovich, and grandchildren, Gertrude Conlan, Kenneth C. and Myron Heggum, Lorraine Mulcahy, and great-grandchildren, James and Terry Conlan, Kenneth W. Dennis and Sharon Heggum.

Funeral services were held Tuesday from the mortuary of W. C. Lasswell and Co., with requiem mass at Our Lady of Perpetual Help Church. Interment was at Holy Cross Cemetery.

Court St. Mary's Meets

Thursday, December 16, is the date chosen for the annual Christmas party for Court St. Mary's No. 1155, Catholic Daughters of America, according to Mrs. Elizabeth Wettstein, grand regent of the court.

Entertainment and refreshments will be included during the evening, according to Mrs. Christina Stevenson, chairman of the event.

NEWS FROM THE SCHOOLS

JEFFERSON

Fifth Grade

A "Make Believe Radio Broadcast" was enjoyed by the fifth and sixth grades this week. Ed Dennis made an improvised radio for the class. The subject matter discussed was the value of the United Nations and efforts for peace.

Eileen DeBernardi was the radio announcer and delegates were Richard Stookey, Janice Toole, Bernard Lemp, Drena Guaraldi, Linda Caravano, and Ed Dennis.

The fifth graders have two caterpillars in their classroom. One caterpillar wrapped itself in thread to sleep, and the other made a cocoon.

Sixth Grade

Jefferson sixth graders viewed a film entitled "Mexico Today." This film was used in conjunction with their social studies unit, "Our American Neighbors."

Initiating a "music appreciation" period, sixth graders will listen to recorded selections from Tchaikovsky's "Nutcracker Suite" this Wednesday.

This week, Roger Pessagno brought three National Geographic magazines with stories and pictures on Canada, Antarctica, and South America. These magazines will supplement visual material on their social studies unit.

Roger also brought a radio crystal set to implement the study of sound and recordings which is the topic in science for this month.

As a media for individual expression in newswriting, fifth and sixth graders have initiated a bi-monthly newspaper entitled "The Buzzbomb Bulletin.". The name "Buzzbomb" is the name given to the athletic members of the junior varsity, which consists solely of the lower grades.

The paper is edited by Cora Oswald and Shirley Sharp. Other editors for news, sports, nonsense, feature, and art are Albert Lagomarsino, Marianne Zanone, Gwen Anthony, John Dennis, Marlene Clark, Faye Orovitz, Judy Graziani, and Harry Youtsey.

Fifth graders contributing this week to the paper are Ronald Poston, Drena Guaraldi, Janice Toole, and Alan Arneson.

SF Has Most Phones Per Person Among Cities Of World

San Francisco has many titles to its credit, but now it can be known as the "phoniest" city in the world. The new issue of Telephone Statistics of the World says that S.F. leads the world's cities in telephone development with about one telephone for every two persons.

Lyle M. Brown, division manager of the telephone company, said that San Francisco has 47.7 telephones for every 100 persons.

The next five cities in order are Washington, D. C., with 43.5 telephones; Stockholm, Sweden, with 41.8; Seattle with 41.3; Hartford with 40.6, and Denver with 40.1.

Since January, 1948, San Francisco has gained more than 16,000 telephones, to bring the total on December 1 to more than 415,000, Brown said.

CROCKER

L6 students of Room 3 have begun a project of import-export maps for every country of South America. Each pupil will contribute some work to the project which is a part of their social science unit.

The L6-H6 of Room 4 have accompanied an expedition made by the National Geographic Society in 1915. Their object is to investigate a hidden city in the Peruvian Mountains, once a capital of the ancient Inca Empire. In their excavation they unearthed much of the remains of the old Inca culture.

Last week Crocker lost four students. Edwin Kelly transferred to Campbell, California; Gail Tays to Medford, Oregon; George Spoulos to Portland, Oregon, and Grace Domenici to Jefferson Grammar

NOTE OF THANKS

I wish to thank everyone, es cially the young friends of my s Kenneth Peck, who attended funeral and sent their sympath and flowers.

Notice of Intention of The Board of Supervisors To Abandon Three Pedestrian Ways in the Broadmoor Subdivision

NOTICE IS HEREBY GIVEN that the Board of Supervisors at their meeting November 30th, 1948, declared it as their intention to abandon three pedestrian ways described as follows:

1. All that certain pedestrian way, 10 feet wide, extending from Beechwood Drive to Thornhill Drive, bounded on the North by Lots 686, 687, 688, 689, 690, 691 and 714 and on the South by Lots 715, 716, 717, 718, 719, 720 and 685, as shown on the map of Tract No. 587 Broadmoor Village Map No. 4.

2. All that certain pedestrian way, 10 feet wide, extending from Thornhill Drive to Larchmont Drive, bounded on the North by Lots 611, 612, 613, 614, 615 and 654 and on the South by Lots 655, 656, 657, 658 and 610, as shown on the map of Tract No. 587 Broadmoor Village Map No. 4.

3. All that certain pedestrian way, 10 feet wide, extending from Larchmont Drive to the Southerly boundary of Tract No. 573 Broadmoor Village Map No. 3, bounded on the North by the Southerly boundary of Tract No. 573 and Lot 585 as shown on the map of Tract No. 587 Broadmoor Village Map No. 4 and on the South by Lots 586, 587, 588, 589, 590, 591, 592 and 593, as shown on the map of Tract No. 587 Broadmoor Village Map No. 4.

NOTICE IS ALSO HEREBY GIVEN that hearing will be held on the proposed abandonment above referred to before the Board of Supervisors, in their chambers at the Courthouse, at Redwood City, on the 21st day of December, 1948, at the hour of 10:00 o'clock A. M., of said day, at which time and place all persons interested in said abandonment may appear and be heard.

By order of the Board
Dated: November 30th, 1948.
W. H. AUGUSTUS,
County Clerk and ex-officio Clerk of the Board of Supervisors.

SUMMONS IN ACTION TO QUIET TITLE

No. 45936, Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

ROMEO PACKING COMPANY, a corporation, Plaintiff, vs. GEORGE J. LECOS, JOHN DOE COMPANY, a corporation, RICHARD ROE COMPANY, an association, FIRST DOE, SECOND DOE, THIRD DOE, FOURTH DOE, FIFTH DOE, SIXTH DOE, SEVENTH DOE, EIGHTH DOE, NINTH DOE, and TENTH DOE, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA TO GEORGE J. LECOS, JOHN DOE COMPANY, a corporation, RICHARD ROE COMPANY, an association, FIRST DOE, SECOND DOE, THIRD DOE, FOURTH DOE, FIFTH DOE, SIXTH DOE, SEVENTH DOE, EIGHTH DOE, NINTH DOE, and TENTH DOE, Defendants, GREETING:—

YOU ARE HEREBY DIRECTED to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after the service on you of this summons, if served within this County; or within thirty days if served elsewhere.

AND YOU ARE HEREBY NOTIFIED that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract or will apply to the court for any other relief demanded in the complaint.

YOU ARE FURTHER NOTIFIED that the object of the above entitled action is to quiet title to, and determine adverse claims to, that certain real property, situated in the County of San Mateo, State of California, particularly described as follows:

LOT 18 in BLOCK 3 as designated on Map entitled "Map of Princeton-by-the-Sea, Half Moon Bay, San Mateo County, California", which map was filed in the office of the Recorder of San Mateo County, State of California, on September 8, 1908, in Book 6 of Maps at page 32.

and that you are required to set forth in your answer what interest or lien, if any, you have in or upon said real property, or any part thereof.

WITNESS my hand and the seal of this court.

DATED: June 4th, 1948.

Grace Nazarene To Hold Xmas Program Next Thursday Nite

Nearly 75 children and adults will participate in the annual Christmas Sunday school program of the Grace Church of the Nazarene which will be held at 7:45 p.m. December 16 in the church at 101 Vista Grande avenue.

The Babe in the Manger, shadowed by the Star of Bethlehem, will be the theme of the program. Taking part will be Wanda Hawthorne, who will give the welcome; Mrs. Herbert Webb, reading "The Message of Christmas"; Don Anti giving a recitation, "Room for Christ" and LaVerne Gardner giving "Once Upon a Time."

Other selections for the program will be a song by the beginners' class and a recitation, "Our Saviour," by Beverly Wheeler. Twenty-two primary- and junior-age children will present an exercise entitled "Glory to God in the Highest," which will be followed by a song by Reverend D. C. McKisson.

Six junior boys, James Hawthorne, Ralph North, Ernest Hansen, Gus Sakaldasis, Bruce Paige and Charles Cameron, will present an exercise, "What Does Christmas Mean to You?" and a song, "Follow the Star," with James Hawthorne and Charles Cameron as the singers.

A closing ceremony, "Blessing the House," with Alice Reardon, Shirley Combs and Hazel Hawthorne as the speakers and Caroline Cameron, Betty Miller, Carol Ann Glover, Eleanor Miller and Joan Valine as the chorus, will be followed by a recitation by La Verne Gardner, "The Christmas Message."

The part of Joseph and Mary will be taken by Leo Collar and Gail Valine, the three wise men, Bob Mills, Ebert Burton and Ernest Clayton. Robert Bledsoe, Donald Baker, Donald North, Jack Thur and Gilbert DeCoursey will be shepherds. The committee directing the program includes Mrs. Kelsey Hawthorne, Mrs. Herbert Webb and Mrs. L. Lemon, with Mrs. McKisson as pianist and Don Webb as Bible-reader.

At the close of the program there will be a carol sing around the fireplace in the social hall adjoining the church, at which time Santa Claus will make his appearance with treats for the children.

CARD OF THANKS

I wish to thank the St. Joseph sisters of Our Lady of Perpetual Help Church for the kindness shown at the death of my son, Kenneth Peck.

MRS. CATHERINE PECK

Congratulations to 190,000 Californians!

This year Bank of America distributed $19,000,000 to Californians who planned ahead for Christmas.

If you were one of these people, you know the thrill of receiving a Christmas Club check. If you didn't receive a check this year, by all means join the 1949 Club now.

You can make regular deposits of as little as 50¢ a week, or arrange for automatic deductions from your checking account at Bank of America.

Remember Bank of America's Christmas Money Orders, cash gift certificates good anywhere

HI-LITES AT C.C.S.F.

By Frank Galo

"Are you going to the Dust Bowl at Vallejo Saturday night?" That's all that could be heard through the halls of City College this week.

The football fever hit the college campus during midterm exams which accounts for the happy expressions during this usually sad period. The Inter-sorority Dance, one of the semester's top dances, was cancelled so that the spotlight would be on football and football alone.

Tonight, after the Christmas concert, a huge rally will take place. Then, tomorrow morning it's off to Vallejo to see City College and Chaffey JC fight it out in the first annual Dust Bowl.

The Guardsman

The only organization of merit on the college campus is the Guardsman, the college scandal sheet. Without the tinge of restrictions, the Guardsman is the average student's only voice in campus affairs, presenting both sides of every controversial issue.

Level-headed Herb Levy, undoubtedly the greatest writer in CCSF history, is editor of the biweekly periodical. Behind Levy is Jack Hulse, executive editor. Despite his lofty position, Hulse is a down-to-earth boy, admired by all Guardsman reporters. H. N. Bishop is the managing editor while Roy Pasini, Bill Franklin, and Dale Butterfield are staff editors. Departmental leaders are Roy Pasini, news; Ed Roper, feature; and Larry Baldocchi, sports. Not to be forgotten are the 30 common reporters.

Making wheels like Levy and Hulse go around is the job of Nourse, faculty adviser. Miss Nourse's deeds are too many to list. To simplify things, the behind-the-scenes lady IS the Guardsman.

Out of 15 semesters the Guardsman has captured All-American ratings 13 times. The other two times it was rated with first class honors. Truly a great paper, which is, however, taken for granted by its readers.

Football

Spotting Menlo JC a 7-0 first quarter lead, the City College Rams trampled the Menlo boys, 24-9 for the NCJCC championship last week.

A pass from Bob Toquinto to Don Stillwell in the second period gave the Rams six points. On the second play in the third quarter, Ollie Matson scored his 18th touchdown of the season on a 54-yard run. A few minutes later Matson returned a punt 69 yards for T.D. number 19 and his 114th point, an all-time CCSF scoring record. Julian Bala scored the last touchdown from the one-yard line. A blocked kick late in the game gave Menlo a safety.

Playing good ball besides Matson were Doug Wilson, Don Morettini, Bob Clark, Dewey Guerra, and Burl Toller.

Tomorrow night the Rams try for their twelfth win in twelve starts in Vallejo's Gold Dust Bowl. Kick-off time is at 8 p.m.; the opponent — Chaffee JC from southern California.

Dis an' Dat

City College's basketball team defeated the University of California Frosh, 62-46. Doug Truelsen scored 15 points for the winners. Bob Payne scored 12 points in ten attempts for a .600 average.

A Christmas concert will be presented tonight in the West Campus auditorium.

Martin Pahlka Takes Over Scout Troop 106

Martin Pahlka has been named as Scoutmaster of Troop 106, replacing Ralph Capps, American Legion commander, who gave up the position due to the press of other duties.

Troop 106 is sponsored by Daly City Post No. 410, American Legion.

John De Rungs, Eugene Lowery and Ralph Capps will serve as a committee to oversee activities of the Boy Scouts.

Marriage Licenses:

Issued recently to:

Charles Rowley Jr., 24, Daly City, and Lorraine Cheverton, 27, 111 Lundy Lace.

John Matison, 20, 1424 Valencia street, and Lilly Themplin, 18, Daly City.

Final Thought: No more school until December 27 which means no more column until December 31. From this reporter a Merry Xmas to the Daly City Record staff, and to Norma Shackleford, the inspiration behind this column.

HI-LITES From Jefferson Union High School

by Carol Donaldson

It's a carnival!!! Where???? High School Gym. When???? 7:30 to 11:30 tonight. Why????? To raise money for the Athletic Fund. Yes, tonight's the big night the various clubs and departments around Jeff have been planning for for several weeks. A lot of work has gone into this project and it promises to be a lot of fun for all.

Our carnival will offer a large selection of booths to try your skill. Featured will be: dart throwing, a basketball throw, bean guessing, character etchings by the Art Club, a kissing booth, nail driving, a record slide, ring a duck, and the traditional penny-pitch.

In the line of refreshments there will be cider and doughnuts, a coke stand, hamburgers, and a booth specializing in Spanish dishes prepared by the Spanish Club.

Tickets for the various concessions will be sold in a main booth for 5c a piece.

To add to the enjoyment a dance will be held during the latter part of the evening. The tariff will be a nickle a couple per dance. Mr. Steven's dance band will supply the music.

Three-fourths of the proceeds of the various booths will go toward the Athletic Fund for needed equipment, and the remaining one-fourth will revert to the treasury of each club. The booths were built by Mr. Mosely and the stage crew and decorated by members of the various clubs.

The evening promises to be a very entertaining one. Don't miss it. We'll see you there, tonight.

Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try Romind. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get Romind at druggist today. Quick, complete satisfaction or money back guaranteed.

Compare Values... Compare prices

... and you'll choose CHEVROLET
ADVANCE-DESIGN HEAVY-DUTY TRUCKS

Only Chevrolet Heavy-Duty Trucks offer all these extra-value features!

Quicker, easier and quieter in operation, Chevrolet's new 4-SPEED SYNCHRO-MESH TRANSMISSION in one-ton and heavier duty models enables the driver to maintain speed and momentum on grades!

Another Chevrolet innovation, the new SPLINED REAR AXLE HUB CONNECTION insures added strength and greater durability in heavy hauling.

Chevrolet's famous CAB THAT "BREATHES"* brings you all-weather comfort! Outside air is drawn in and used air is forced out! Heated in cold weather.

The power-packed Chevrolet LOAD-MASTER VALVE-IN-HEAD ENGINE, world-famous for economy, is now even more durable and efficient in operation.

Plus • The Flexi-Mounted Cab • Uniweld, all-steel cab construction • All-round visibility with rear-corner windows* • New, heavier springs • Full-floating Hypoid rear axles in ¾-ton and heavier duty models • Hydrovac power brakes on 2-ton models • Ball-bearing steering • Wide base wheels • Standard cab-to-axle dimensions • Multiple color options

*Heating and ventilating system and rear corner windows with de luxe equipment optional at extra cost.

There's a mighty big difference in heavy-duty trucks and you'll know it the moment you hit the highway in one of Chevrolet's new heavy-weight haulers. For there's a rock-solid quality, an ease of handling and pull-away power in these Advance-Design trucks. But discover the facts yourself. Compare values! Then—compare prices! You'll find that only Chevrolet trucks have 3-WAY THRIFT—low cost of operation, low cost of upkeep and the lowest list prices in the entire truck field.

Job's Daughters Plan Advance Night

Martha Jacks, present senior princess of Bethel No. 26, International Order of Job's Daughters, will preside as honored queen for the evening, December 10, when the bethel holds its semi-annual Advance Night. On this evening all elective officers advance one station. Janet Smith, present honored queen, will sit on the side for the evening and witness the other officers' work.

The other officers advancing and their stations for the evening are: Elaine Plasberg, senior princess; Lucille Forsyth, junior princess; Jean Skinner, guide. Marilyn McDevitt, junior past honored queen, will be marshal for the night. The meeting will be held in the Mission Masonic Temple, and will begin at 7:30 p.m.

On the following evening, Saturday, December 11, the bethel will sponsor a dance and whist at the hall. The affair is scheduled to begin at 8 p.m. Friends of Job's Daughters are invited to attend.

PTA Mothersingers Entertain General Pershing Mothers

A program of religious and Christmas music by the PTA Mothersingers was the main entertainment at the meeting and bazaar of the General Pershing PTA Tuesday afternoon.

The group, composed of mothers from the Jefferson elementary school district, which includes General Pershing, Woodrow Wilson, Jefferson Elementary, Bayshore, Jefferson high and Crocker schools, was directed by Mrs. Memory Gomez. Two groups of songs were sung. They included "O Holy Night," "Beautiful Saviour" and "Ave Maria" in the first group and "It Came Upon a Midnight Clear," "Hark! The Herald Angels Sing," "The First Noel," and "Silent Night" in the second.

A repeat performance is planned for the PTA meeting scheduled at the Crocker school for December 14.

OLPH BAZAAR SUNDAY BREAKS ALL RECORDS

Breaking all previous financial records of former bazaars, the Mothers' Club of Our Lady of Perpetual Help school, held one of the most successful Christmas events given this year.

The bazaar, an annual event, was held December 5 and realized $1,500 which will be used for educational purposes.

Prize winners at the affair include Miss Cecelia Amada, Mrs. Ida Kordoulos, Mrs. Marian Schubert, George Lombard, Mrs. H. H. Smith, Mrs. L. Lorenzo and Mrs. Joseph Powers.

The regular meeting of the Mothers' Club will be held at 8:15 p.m. December 10 in the school library. A Christmas party and exchange of gifts will be held. The eighth grade mothers, under the direction of Mrs. Esther Nolan, hospitality chairman, will be the hostesses. Miss Vivian Juri, of the Monitor, Catholic publication, will be the guest speaker. Her subject will be "The Legion of Decency."

JEFFERSON HIGH PTA EXECUTIVE BOARD MET DECEMBER 2

The monthly executive board meeting of Jefferson Union High School Parent-Teacher Association was held December 2 at the home of Mrs. Ida Hanley. Co-hostesses for the day were Mrs. Hilda Heagney, Mrs. Martha Linden and Mrs. Lillian Twomey. The Christmas theme was used in decorations and the luncheon, and Santa Claus paid a pre-holiday visit.

The unit has voted $50 toward the projector which is being purchased by 17th District for the El Portal School.

Mrs. Mildred McGeein, the president, attended the District meeting last week, and will attend the Presidents' meeting in Burlingame on Monday.

There will be no regular meeting for Jefferson Union High School P.-T.A. during the month of December.

COLMA P.T.A.

The Colma P.T.A. is extending an invitation to parents of the Jefferson Elementary School children to hear their children sing Christmas carols December 15.

Pupils in Miss Lorraine Day's second grade class will sing at 11:30, with Miss Hyde's kindergarten room at Broadmoor also singing at that time.

Singing at 1:20 p.m. will be Mrs. E. Hosmers' and Mrs. A. Ludwith's first grade pupils and Miss D. Pfrunder's second graders.

Students in Miss G. Gannon's fourth grade and Mrs. H. Sundman's third grade will sing from 2 to 2:30 p.m. at the Jefferson annex. The fifth, sixth, seventh and eighth grades will sing from 2:45 to 3:40 in Miss Ludwig's room. These include the pupils of Miss Marie Traynor, Miss M. Vicain, Mr. D. Pagani, and Miss G. Campana.

PERSHING P.T.A.

A box lunch will be sponsored by the General Pershing P.T.A. Saturday night. The affair will begin at 8 p.m. at the home of Mrs. Dolly Gensel, 188 Acton street. Admission will be $1 and a box lunch suitable for two persons. Dancing will be included in the evening's entertainment.

The P.T.A. bazaar held Tuesday was reported to have been very successful. Mrs. Pearl Caine, sewing chairman, was in charge.

COLMA PTA HEAR MOTHERSINGERS

The Mothersingers, a choral group of combined P.T.A.'s of the Jefferson Elementary School district, will sing at 2:30 p.m. December 14, for the Crocker P.T.A. members. Unusual arrangements of Christmas carols, including "Silent Night," "The First Noel," and "Hark the Herald Angels Sing" will be presented. The group is under the direction of Mrs. Memory Gomez.

VFW Auxiliary Members Attend Christmas Party

Eight members of Old Glory Auxiliary 2044, Veterans of Foreign Wars, attended the joint San Mateo - Santa Clara Counties Council Christmas party in Palo Alto Saturday.

They were Mesdames Ruth Brulez, Mary Conci, Ethel Dorn, Eleanor Hatt, Marguerite Johnson, Catherine McKeown, Clara Poket, and Josephine McHugh.

Need Blood Donors For Painters Union

A call for all members of Painters Union 913 to make appointments as volunteer donors at the San Mateo County Blood Bank has been made by James J. Joy, union chairman.

In recent weeks the union has drawn heavily on its credits at the blood bank. Joy led a group of members who appeared at the blood bank as blood donors in recent days. These donors, besides Joy, were James Mandt and Clyde NeSmith of San Mateo; Joseph Stefkowski and Lou Geyer of Millbrae; Joseph Geyer of Lomita Park; Roy C. Vromen, Sharp Park; Mr. and Mrs. Myron L. Gray, South San Francisco, and Raymond G. Allen, Daly City.

Count the Many Blessings where electricity helps make holidays happier

IN THESE DAYS OF CHRISTMAS SEASON, when each room in the house has been slicked up for company, your ever-willing and capable electric servants are kept busy. Here in California, electricity lends real cheer during the holiday season, especially for gay and festive lighting in home and garden. Light for color and sparkle. Light to complement the beauty of table settings. In California we truly have a Christmas of Light instead of a cold White Christmas.

Add happiness to your Christmas at home by giving Electrical Gifts. Choose a comforting electric blanket or sun lamp or a radio or television set or some ever-useful lamps or table appliances. Electrical Gifts are always ever-welcome.

ONELLI URGES NEW COMMISSION O ADMINISTER LIQUOR CONTROL

William G. Bonelli, State Board Equalization member from Los geles, has introduced a resolun urging a constitutional amendnt which would remove liquor ntrol authority from the Board Equalization and put it in the nds of a five-man "Alcoholic verage Commission."

Bonelli claimed the public welre would benefit from a separate, n-political alcoholic beverage ntrol authority and stated that Board of Equalization has nty to do administering other te revenues. The Board of ualization will act on Bonelli's solution on December 16.

The proposed "Alcoholic Beverage Commission" would consist of five commissioners, appointed by the Governor for a term of ten years. The Secretary of State, State Treasurer, State Controller, Attorney General and Director of Finance would be ex-officio members, with new commissioners appointed at two year intervals to replace these state officials.

If the Board of Equalization approves the resolution, it will be forwarded to the State Legislature for action. A state-wide election would be required to amend the state Constitution to make the change possible.

portswomen Club olds First Meeting

The officers of the newly-formed ly City Sportswomen's Club k charge of their first meeting t night at the Recreation hall Bellevue avenue.

Mrs. Frances Nenstiel, promint Daly City clubwoman, is the sident of the group. Other ently-elected officers are Mrs. ra Gibbs, vice president; Mrs. Prigmore, secretary-treasurer; s. Mildred Whinnen, color bear- Mrs. Dorothy Johnson, public ations chairman.

Two new members were taken into the club at the meeting. They are Mrs. Lillian Miller and Mrs. Marie Heyden. Mrs. Miller will be chairman of the card party which the group will sponsor on January 28.

Colma Woman Injured In Mishap With Auto

Rose Gioldi, 60, of Route 1, Box 44, Colma, was in Junipero Serra hospital with both legs fractured and an abrased forehead after being hit by an automobile on Market street near First avenue Monday.

Driver of the car, Mario L. Sartorio of South San Francisco, was not held by police.

Lake Merced Burglar Takes Golf Equipment

Local police were on the lookout this week for a burglar who entered the pro shop at Lake Merced Golf and Country Club Monday night.

Charles Hook, club manager, and Pat Mahoney, golf professional, reported items of golf equipment missing after the break-in.

Police had evidence which they were investigating in an attempt to identify the culprit.

NAVY RECRUITING BUS TO BE IN DALY CITY

A recruiting bus for the convenience of persons in the outlying districts is now being used by the U. S. Navy recruiting office of San Mateo county. The bus will be at the Daly City post office from 2 to 3 p.m. each Tuesday. Young men between the ages of 17 and 31 can now enlist in the U. S. Naval Reserve by making applications in the recruiting bus.

New Traffic Regulations Go Into Effect In S.F.

In a further move to speed traffic flow in the city's more congested areas, the board of supervisors has added the west side of Third avenue between Parnassus avenue and Irving street to the list of streets on which parking is prohibited between 7 a.m. and 6 p.m., Sundays and holidays excepted.

Stopping has been prohibited between 4 and 6 p.m. on the west side of Mission street from 12th street to Richland avenue, and the north side of Turk street from Market to Divisadero.

The police department's traffic bureau plan to reverse present direction of traffic on Eddy and Turk streets will be postponed until after the first of the year because of heavy holiday traffic and the initial confusion which results from traffic reversals.

Faster Service For Auto Licenses Promised In 1949

Every effort will be made to get a potential registration card into possession of every registered motor vehicle owner in California in time for the 1949 renewal period, January 3, through February 4, A. H. Henderson, director of motor vehicles, announced today.

"We want every registered owner to have the opportunity of enjoying the faster, more efficient service which these potential registration cards afford," Henderson said.

The California Vehicle Code defines the potential as a document issued toward the close of one year which upon proper validation becomes the registration card for the ensuing year. The Department will begin mailing these cards December 15.

If presented at any office of the Department of Motor Vehicles with a fee payment, the potential will be validated and returned to the owner immediately along with a set of 1949 tabs, thus completing his renewal for next year. No registration document will be mailed later, as in past years.

"It is essential that motorists preserve their potential registration cards until time to use them during the renewal period," Henderson said. "It will be possible to renew on a 1948 registration card but immediate service will not be possible."

Victor Aiello Name For New D. C. Citizen

Victor Anthony is the name chosen by Mr. and Mrs. Anthony Aiello, 287A Niantic avenue, to be bestowed upon their new son. The baby arrived November 7 in the Mills Memorial Hospital weighing 7 pounds 6½ ounces.

Grandparents are Mr. and Mrs. Victor Aiello of Wilson street.

"The Divine Invasion" Sunday Sermon Topic

Service at the Ocean View Congregational-Community Church at 11 a.m. Sunday will include a sermon, "The Divine Invasion," by the Rev. J. H. Bennett. The church is located at 146 Broad street, three blocks from Sickles at Plymouth. A nursery is provided for children. Special music will be presented.

New Rates Proposed For S.F. Park Meters

Pointing out a conflict in the parking-time limit and the present parking meter regulations, Chief Administrative Officer Thomas A. Brooks has proposed revisions for downtown parking areas.

Most downtown sections are zoned for 40 minute parking only, while parking meter regulations provide an hour of parking for 5 cents.

Brooks proposed to the board of supervisors that the downtown meters provide 20 minutes of parking for 5 cents, with a maximum allowance of 40 minutes' time, particularly in the new Grant Avenue zone from Pine to Pacific. Alternatives, he said, would be to change the parking limit to one hour in the area, or limit parking to 36 minutes and charge three cents for that length of time.

YOU CAN HELP FIREMEN TO MAKE XMAS MERRY FOR VICTIMS OF FIRE

The Daly City Fire Department, deciding that it will be a pretty rough Christmas for some people, are soliciting contributions for the benefit of people who have suffered heavy fire losses recently.

For example, how would you like to have two babies just out of the hospital for polio treatment, and then have your house burn down, destroying your automobile and furniture with it? And all this just before Christmas! Even Scrooge himself would want to do something to help.

Contributions may be mailed to:

Daly City Fire Department
City Hall, Daly City, Calif.

Or perhaps you'll be seeing one of your neighboring volunteer firemen, and he can tell you more about it.

KEEP THE WINDOWS CLEAN

Keep the windows as well as the windshield clean if you would avoid those countless reflections of other lights that make driving at night considerably more dangerous. For so much of this kind of annoyance the motorist has only himself to blame.

THE WANT ADS

IT REQUIRES PRACTICE

Despite its driving ease, the owner of a new car is likely to find his parking technique a bit askew at first, points out the National Automobile Club. He should not be misled into thinking that the new car is more difficult to park. The fact is that it has everything designed to make it easier to tuck into one of the characteristically small openings available. Just a little experience, plus a bit of practice, will prove the point.

Snacks Before Slumber

In the college dormitory or in your own home, a common wind-up to a nightly "gab fest" is always in order. However, the refreshments should not be heavy. Something light to nibble on, or something tasty to drink is just the thing when a snack is scheduled before bedtime.

A rennetized milk drink makes a wonderful nightcap. It's grand to sleep on because the rennet enzyme makes it even easier to digest than milk itself. The rennet milk mixture can be made up in a bowl or pitcher ahead of time and kept in the refrigerator until wanted, when it is combined with cold milk and beaten until smooth. Or the mixture is quickly made, takes 10 minutes to set, after which it can be mixed with cold milk, beaten and drunk immediately. It is a healthful, delicious milk drink you will want to prepare time and time again.

Just try it once and see what a restful night you have!

Creamy Coffee Rennetized Milk Drink

2 cups milk (not canned)
2 teaspoons instant coffee
1 package vanilla rennet powder
1 cup cold milk

Dissolve instant coffee in milk. Warm slowly, *stirring constantly*. Test a drop on inside of wrist frequently. When COMFORTABLY WARM, (110° F.) *not hot*, remove *at once* from heat. Add rennet powder and stir quickly until dissolved—*not over one minute*. Do not move until set—about 10 minutes. Then chill. Just before serving, add cold milk and beat well with rotary beater.

CSAA MEMBERSHIP REACHES 200,000

The California State Automobile Association has reached a total membership of 200,000, it was announced today by Dr. William B. Herms, president of the motorists' organization.

"Evidence of California's rapid growth in recent years to its position as the world's greatest motoring community," said Dr. Herms, "is contained in the fact that the CSAA, with its membership drawn from the fourty-five counties of Northern and Central California, has doubled its membership in the past six years. During that time motor vehicle registration in the state has increased from just under 3,000,000 to a total in excess of 4,000,000, more than any other state or nation.

"CSAA membership at the beginning of 1943 was just over the 100,000 mark and we anticipate that the 200,000 figure will be further increased by the beginning of 1949.

"Since the founding of the CSAA in September 1907, our continued growth in membership has been added 'strength in numbers' to accomplish our purpose as a civic and service organization working in the interest of all automobile owners."

RIGHTS OF BICYCLISTS

The bicyclist's right on the highway is beyond question, declares the National Automobile Club. The law usually prohibits him from using the sidewalk designed for the pedestrian alone. On the street or highway he enjoys pre-eminence over the motorist as the "inferior" person who always has a right to expect the courteous consideration of the motorist who, the regulation say, is the "superior."

Veterans Weekly News Column

Veterans who have appointments for services authorized by Veterans Administration are urged to appear at the appointed time.

VA said veterans should make every effort to keep their medical or dental examinations at the time specified. These examinations are set on a regular schedule. When a veteran fails to appear, he wastes not only the time of VA personnel preparing to give the examination or treatment, but prevents them from re-scheduling some other veteran for that period.

Broken appointments also result in unnecessary delays in medical and dental care to all veterans of the surrounding area and reduces the number of veterans who can be served by VA.

All veterans who have vocational advisement and guidance appointments are urged to report promptly at the designated place or else notify VA in advance that the appointment cannot be kept.

Question: While living in Canada, I converted my National Service Life Insurance to a permanent plan. Now I learn that because of Canadian currency controls, I cannot send enough money out of the country to cover my premiums. What can I do about this?

Answer: There have been a number of similar cases. You should contact the currency control office of the country in which you now reside, and if you cannot make a satisfactory arrangement, you should go to the nearest U.S. consulate and explain your problem.

Question: I am a World War II veteran and would like to know if my wife is entitled to VA hospitalization?

Answer: If she is an ex-service woman she will be entitled to hospitalization in her own right, but being the wife of a veteran will not of itself make her eligible for VA hospitalization.

Question: After my discharge from World War II, I surrendered my $10,000 National Service Life Insurance converted policy for the cash value. I have re-enlisted and want insurance again. Am I eligible?

Answer: Yes. Application for a new NSLI policy may be made while you are in active service.

Question: I have a service-connected disability rated at 20 per cent. Am I entitled to an increase because of dependents?

Answer: No. Your disability must be rated 60 per cent or more before additional compensation for dependents is payable.

Berlin Paintings At S.F. Museum, Dec. 11

Between December 11 and December 29 central and northern California residents will have an opportunity of viewing approximately 100 of the world's most famous paintings at the De Young Museum here.

The canvases to be exhibited are part of priceless collections owned by Berlin Museums, which were found during the war in a salt mine at Markers, Germany, after town's capture by the 90th Infantry division. They were brough this country for safekeeping du the unsettled conditions that lowed cessation of hostilities 1945.

Exhibition of the paintings was arranged by the National Gallery of Art and de Young Muse officials, in conjunction with United States Army, which have a special military police detail from the Sixth Army Area guard duty day and night to protect them.

Included in the exhibition ten Rembrandts, as well as w by Vermeer, Frans Hals, Bottic Titian, Holbien, Rubens, Valesc and many others. The paint will be displayed in five galle which have been newly redecor in preparation for the great sh

A small admission fee will charged and the entire proc turned over to a fund for the b fit of German children in American Zone of Occupied many.

INISHED DRIVERS

"Finished drivers" are defined by e California State Automobile sociation as those who drive with kill and care—and those who take hances in traffic with disastrous sults.

SLOW TIRE LEAKS

If an abnormal air loss is noted in any one tire, it should be carefully examined and the cause carrected.

Slow leaks are usually caused by defective valves or leaking tubes.

BENICIA FOUNDED

Benicia, Solano county, is reported by the National Automobile Club to have been founded by General Vallejo in 1847 and named for his wife. Its town hall was the capitol of the state for a short period in the 1850's.

Nine Out Of Ten Income Tax Payers Entitled To Refund On 1948 Earnings

Preparations to facilitate the filing of 1948 income tax returns in the First California District are now under way, Collector of Internal Revenue James G. Smyth said today.

Income tax returns will be mailed to taxpayers of this district by December 8. Thousands of 1948 returns have already been mailed. The reason for early mailing of tax forms is to cooperate with postal authorities during the Christmas season.

Taxpayers were advised to retain the new tax ferms in a safe place until after the first of the year, when they may be used to report tax liability on 1948 earnings.

An itinerary for deputy collectors to visit rural towns and communities is now being planned. Taxpayers are advised to follow local newspapers for the time and place a deputy collector will be in their community. The purpose of the deputy's visit is to assist and advise concerning the preparation o fincome tax returns.

From the San Francisco Internal Revenue Office an appeal for additional help to handle the 1948 income tax returns, was made by Collector Smyth.

The collector pointed out, that about 40 temporary positions would be open in the San Francisco Office on January 3, 1949. The annual salary will be $2498.28. Applications for clerk typist, bookkeeping machine operators, comptometer operators, and listing machine operators, may now be made in Room 1312, 100 McAllister street, San Francisco.

It is expected that approximately nine out of every ten persons with income subject to withholding tax will be entitled to a refund on 1948 earnings. Collector Smyth said, that in the first few months of 1948, withholding rates on salary were higher than during the later part of the year. This, he pointed out, will entitle the average wage earner to a refund.

CHANGE BRAKE TECHNIQUE

Motorists who have occasion to travel over gravel roads are reminded by the National Automobile Club that braking on such roads requires a different technique from braking on a hard surfaced road. Generally speaking, a light pressure on the pedal is needed to avoid locking the wheels and thus causing the car to slide on the loose surface. The pebbles under the tires are apt to act as small wheels upon which the car will roll much further than it would on concrete or on asphalt.

OREGON'S LUMBER

Oregon's lumber yield during 1947 was sufficient to build more than 400,000 five room houses.

Carpenters Will Build Union Hall Next Year

A new union hall will be built in San Bruno by Local 848, AFL United Brotherhood of Carpenters and Joiners, according to J. L. Armstrong, executive secretary.

Located at San Bruno avenue and Masson avenue, the new building will provide for three stores on the main floor and offices and meeting hall on the second floor. Construction will start next year.

Tea, Butter Still Rationed Downunder

SYDNEY, N.S.W., Aust., Dec. 6 —Australians soon will receive their 1949 ration coupons for tea and butter, it was announced by Trade and Customs Minister Senator Benjamin Courtice. The 1948 coupons will expire this month.

FENDER REPAIRING AN ART

Dented or mangled fenders often are allowed to remain permanently that way merely because the car owner does not know that fender repairing has progressed. The body working shop can make them look like new. The use of a quick drying lacquer makes the job a speed one, too. Fender repairing, today, is an art.

HOME GADGETS IMPRESS VISITOR FROM DENMARK

The next time you fret about waiting several months for a washing machine or some other appliance, relax and think about the Danish version of this experience.

Take it from Miss Inger Bylling that such a wait is nothing. Her family has had an order in for a washing machine for three years, and still no washing machine is in sight.

Miss Bylling, head of the Home Economics Seminary at Soro, Denmark, is on a tour of the United States to learn the latest developments in the teaching of home economics. She is starting her observation at Santa Barbara College, University of California.

Expressing amazement at the number of gadgets and machines that ease the task of housekeeping for the American girl, Miss Bylling declared that such mechanical assistance would be the envy of every Danish girl.

Because the Germans stripped the country of machinery and factory equipment, the production of home appliances has been very slow. With American help, it is now picking up. The improvement in the economic condition of the country is noticeable, Miss Bylling commented, and the people are aware of the part the Marshall Plan assistance is playing in this recovery.

She observed that the older girls, many of whom took part in underground resistance during German occupation, are more apt to take a serious interest in political and economic developments.

SPORTSMEN'S CALENDAR

California pheasant hunters unable to get their birds this year because of the predominance of posted land will find better going in the future if trial plans of the Fish and Game Commission work out.

Adopting recommendations of the Bureau of Game Conservation for the planting of State-raised pheasants, Commissioners at their last meeting made a significant move toward solving some of the problems facing free-lance hunters.

In the future, pheasant liberations by the Division of Fish and Game will be made only in areas that meet the following requirements:

1. Areas not exceeding 640 acres in size under one ownership that will be closed to all pheasant hunting for five years;
2. Areas of 160 acres or more that are open without fee to all who have not previously been known to have conducted themselves in an unsportsmanlike manner on that area, with or without prior application to the land owner.

On open hunting areas, the State agency will provide signs announcing the landowner is cooperating with the Division, and requesting written or verbal permission to hunt.

At the request of sportsmen and residents of Kern and Bakersfield counties, the Fish and Game Commission has closed the area surrounding Ranusburg, Johannesburg, and Red Mountain to all hunting until December 31.

A petition signed by local residents asked the move be taken under emergency powers to protect quail in the area. The closure includes 12 sections and portions of 13 others, embracing a radius of about three miles.

Hardy California hunters who would like to combine business with pleasure might try mountain lion hunting in Siskiyou county, advises the Division of Fish and Game.

The payoff is a total of $100 for each male lion, and $110 for females. In addition to the State bounty of $50 and $60, the county board of supervisors will pay $50 for the hide of each panther, puma, cougar, or lion taken in the county.

Members of the Lompoc Sportsmen's Association have offered a reward of $50 for arrest and conviction of out-of-season pheasant hunters in the Lompoc Valley. The Division of Fish and Game planted 500 pheasants in the area for the first time this year.

Proposed recommendations for changes in California's angling regulations will be presented by Chief Alan C. Taft of the Bureau of Fish Conservation at a regular meeting of the Fish and Game Commission in the State Building, Los Angeles, December 3.

Discussion of policy in granting sardine reduction permits for the 1949-50 season, and setting of game management area regulations will share the agenda.

Floyd D. Granger Claims Vets Miss Many Privileges

Until a veteran has had a talk with someone thoroughly versed in veterans' rights and privileges he probably has no idea of how many benefits State and Federal laws make available to him, according to Floyd D. Granger, veterans service officer.

"The files in this office are crammed with instances in which a veteran came in to seek information on a specific subject and wound up receiving benefits ranging from disability compensation to low - interest home financing," Granger said. "His right to various benefits was something he was not even aware of until he came in here."

The function of the Veterans Service Office is not only to assist veterans with their immediate problems, but also find out other ways to assist them, Granger added. He suggested that it was well worth a few minutes of the time of every veteran in San Mateo county to drop in and register his name and pertinent service information.

The Veterans Service Office also has a supply of booklets, pamphlets and other literature on their rights and benefits which veterans are welcome to take home.

Office hours are maintained from 9 a.m. to 5 p.m., Monday through Friday, and from 9 a.m. to 12 noon Saturdays at the Courthouse, Redwood City, telephone EMerson 6-5711.

SOUND PRACTICE

Practice makes perfect only if sound practices are followed, which is one reason the California State Automobile Association is actively fostering the adoption of behind-the-wheel driver training for high school students. Scores of California high schools are now offering such training, and many applications for dual control cars are pending, the Automobile Association reports.

FUEL PUMP CHECKUP

Old automobile feed pumps often deliver sufficient fuel at moderate speeds but cause missing and poor engine performance at engine performance at higher speed, according to the California State Automobile Association. Motorists are advised to have the fuel pump checked by a competent mechanic at least every 5,000 miles.

Non-flammable Fabric

A plastic-coated upholstery fab that will char on contact with flame but will not support combu tion is expected to find wide usa in boats, office furniture and r taurant seats.

"LIFE SAVERS ARE NOT ALL MADE OF CANDY!"

These men, way down at the bottom, are real He-Men! They're looking for hidden treasure. And they've decided they know where to find it! Right at MYRA'S PHOTO STUDIO, here in Daly City! Whether it's beautiful pictures of your Wedding Party, cuddly photos of the Little King (or the little Queen) in your home—a charming "study" of the True YOU—MYRA'S is the answer to your photography needs. What a lovely gift for Christmas—for the family and all your friends—a perfect tribute to your help-spend—and a memory to add to your photo album. If you're in a sea of uncertainty about WHERE to go for your photographs, let MYRA'S help you find "honest treasure" here. At our studio—or in YOUR HOME—your convenience is our pleasure. Call us—TODAY!

Real ECONOMY vs. BARGAINS

A choice "bargain" on some desirable, scarce or high-priced food, spotlighted in big type and presented with much fan-fare, is always intriguing to any normal American Housewife . . .

But . . . what about the other items on your list? It's the saving you effect on *all* your food purchases . . . not on a single item . . . that *really* counts! . . . and at King's, today as always, you can be *sure* that *every* item is at the *lowest price in line with quality* . . . and you can *prove*, in facts and figures . . . that you *will save money* if you do *all your shopping* at King's

San Mateo Jaysee Players Club To Present Play

The Players Club of San Mateo Junior College will present "Death Takes a Holiday" as the term play December 16, 17, and 18 in the College auditorium. For the past six weeks the cast, drawn from the entire county, has been rehearsing the comedy under the direction of Harry Keats of the faculty. The play deals with Death taking a holiday and while visiting among mortals falling in love with a young lady. Tickets for the play may be purchased each night at the door.

This Friday evening the Associated Women Students will have their annual fall semi-formal dance at the California Club on Van Ness avenue, San Francisco. "The Jingle Ball" has a Christmas theme, with Howard Frederic and his orchestra playing from nine to twelve for the dancing.

In preparation for the homecoming set for January 13-15, the college students are electing a queen to rule over the festivities. Present plans also incuude the alumni visiting the college, high school seniors visiting, two conference basketball games, an alumni dinner, and a big ball at which the queen will be crowned.

The national jaysee champs, Marin, edged out San Mateo in basketball, 46-44, Saturday, after the Mateans had led for most of the game. It was a non-conference game. This week the Mateans are playing the USF frosh in a non-home game.

Over three thousand adults are now enrolled in the adult center, the evening school of the college. The fall quarter ends soon, with a winter quarter starting January 3.

The California Division of Mines is now in its 99th fiscal year.

Would Uncle Ed prefer cheddar to polka dots?
Everyone has special tastes in food. And therein lies an easy answer to many of your Christmas gift problems.
Take Uncle Ed, for instance. Maybe instead of the usual tie, he'd prefer an assortment of his favorite cheeses. Grandma, with her sweet tooth, might like several jars of jams and jellies. And here are more ideas—fruit cake for Aunt Martha, cigarettes for the postman, candy for the newsboy—and so on right down your list.
Beautiful part of it is, you can buy these gifts while you do your food shopping. Think of the time and trouble you save. Think of the money you save, too, when you buy them at Safeway's low prices. As a starting point, check the list of gift suggestions shown elsewhere in this ad.
Incidentally, the December Family Circle, now on sale at Safeway, features gifts you can make right in your own kitchen. Complete recipes, plus full color pictures to show how they'll look when done. Probably the most appreciated gifts of all are those you make yourself.

TO STOP HORN BLOWING

There is a quick way out of the embarrassment of having the horn start blowing continually in traffic owing either to a short circuit or a jammed horn button, according to the National Automobile Club. It involves nothing more than the removal of one of the wires leading to the horn. It makes no difference which wire, either breaks the circuit and silences the horn.

Muni Survey Voted $20,000

An efficiency survey of the Municipal Railway, to be carried out by Arthur C. Jenkins, San Francisco transit engineer, has been voted by the Board of Supervisors.

Principal value of the survey, for which the Board appropriated $20,000, will be in guiding Supervisors in studies of the railway's budget.

Meanwhile, the Board will hold a public hearing on the Public Utilities Commission's proposal to abandon the No. 40 San Mateo interurban streetcar service. Possibility of losing rights of way south of the city-county line is involved in the proposed abandonment.

OPEN EVENINGS

SHOP EARLY, MAIL EARLY FOR CHRISTMAS

Acting Postmaster John F. Fixa asks the people of Daly City and the Bay Area to shop early and mail early. Increased population means heavy mailing and EARLY MAILING WILL GET THE BEST SERVICE.

Address all mail in ink. Give the addressee's complete address and your return address, and place a card inside packages with this information on it.

Pack articles with paper cushioning in strong corrugated cardboard boxes. Wrap them in heavy paper and tie them with strong twine. Don't seal them. Mark breakable parcels "Fragile." Mark perishable parcels "Perishable."

On last minute mailing and on all over-seas mailing use Air Parcel Post for parcels, Air Mail for letters and Christmas Cards.

Beautiful greeting cards deserve first class postage, put a 3-cent on them. Write plainly the addressee's name and correct address with the zone number. Write plainly your return address, then if the card cannot be delivered it will be returned to you.

Greeting cards and parcels for out of state points, should be mailed not later than December 15.

On Saturday December 18, and Sunday December 19, all regular post office stations will be opened from 8 to 6.

Something Different

By BETTY BARCLAY

It's hard to find something new under the sun, and yet there are many common vegetables which seldom reach the table of Mr. and Mrs. Average America. Such a vegetable is celery. What, you say—I use celery all the time on my table! Ah, but do you ever serve it cooked, and especially the celery knobs, which are delicious and often overlooked delicacies? Here is a simple meat-stretching recipe; yet it has an unusual combination of flavors that will delight most gourmets. Try it sometime . . . and keep on the lookout for the overlooked vegetables.

Celery Knob Ragout

4 small celery knobs or roots (about 1 pound) or 3 cups coarsely diced celery
2½ cups boiling water
½ teaspoon salt
½ pound ground beef
1 cup 40% bran flakes, crushed
5 tablespoons water
½ teaspoon salt
1 teaspoon finely chopped onion
½ cup cold water
4 tablespoons flour

Peel and cut celery knobs into small cubes. Cook, covered, in boiling water and salt 20 minutes, or until done. Remove from liquid.

Combine meat, bran flakes, 5 tablespoons water, salt, and onion and mix well. Shape into small meat balls and drop, several at a time, into hot celery stock. Simmer. As balls rise to surface, remove; keep hot.

Measure stock and add water to make 1½ cups. Add cold water gradually to flour, mixing to smooth paste; pour into celery stock, stirring vigorously. Cook until thickened. Add celery and meat balls. Makes 4 to 6 servings.

Japanese forces occupied Guam from December 10, 1941 to July 27, 1944, at which date the island was proclaimed again under the rule of the United States.

Angel Island, in San Francisco Bay, was christened "Nuestra Senora de Los Angeles" by Juan Ayalo of the Spanish ship San Carlos in 1775.

PASSING WITH SAFETY

Crowding the rear end of a truck that one is trying to pass is a large factor in the danger and the irritation of this maneuver that drivers are inclined to overlook, declares the National Automobile Club. The best rule is to stay far enough behind the larger vehicle to assure that there will be plenty of room to pull into line if the way ahead is blocked by an approaching vehicle. The farther behind one stays, the better the visibility.

Sacramento citizens put up t money to finance the Californ State Fairs of 1864-5, when t Legislature refused to do so b cause of post - Civil War mon shortage.

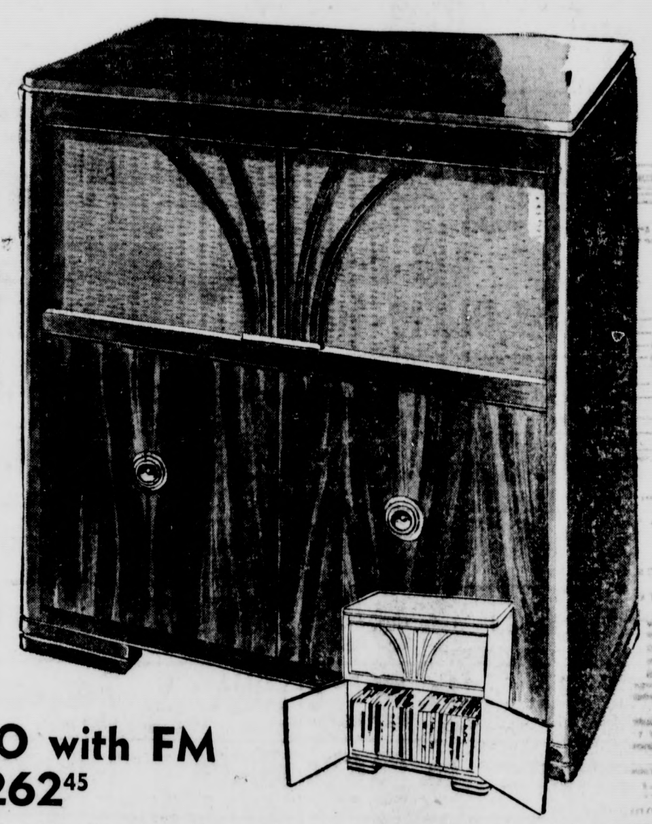
REGULARLY $47.20
SPECIAL
$34.95

In this sleek-lined, modern table-top radio Westinghouse gives you tone and sensitivity you'll have to hear to believe. Famous Westinghouse Plenti-power gives this small set the reserve of power needed for true-to-life reproduction of music or voice. The solid hardwood cabinet is finished in rich Sheraton mahogany color. Two concentric controls provide On-Off Switch, Tuning Control, Volume Control, and a continuously variable tone control. At this amazingly low price, the Westinghouse 157 is a value unparalleled on the market today!

SAVE $72.50



RADIO PHONO with FM
FORMERLY $262.45
SPECIAL
$189.95

Imagine a genuine Westinghouse FM-AM radio-phonograph in a rich, dark mahogany console cabinet at the low, LOW price of $189.95! That's what you get in the magnificent Westinghouse 168. This brilliant modern console combination gives you true-to-life reproduction of music or voice on its AM or FM bands. In addition, it has the highest quality speed record changer, which plays 12 ten-inch, or 10 twelve-inch records, quickly, smoothly, automatically. Take advantage of this amazing price reduction now, and you will have real listening pleasure for years to come!

CALIFORNIA MOTOR VEHICLES

There are 4,004,298 motor vehicles registered in California, according to the latest available figures, reports the National Automobile Club.

PEDESTRIAN SAFETY

Walking into the street from between parked cars is a highly dangerous practice. Pedestrians should cross only at intersections or at properly designated crosswalks.

Tie-in Of Railroad Workers Wages And Soc. Sec. Payments Discussed By Foley

Tie-in of wages earned in railroad work with those earned in jobs covered by social security, when death benefits are payable, has given rise to many requests for information, according to the San Mateo office of the Social Security Administration. Depending on the jurisdiction in each case, either the Railroad Retirement Board or the Social Security Administration will pay the survivors claim, using total wages earned under both programs.

"It is of interest to many persons who have had work under both systems," Ed Foley, manager of the Social Security office said today," especially with regard to the number of quarters of work needed to build up a right to the payments. For instance, a man now self-employed, or working in a job not covered by either railroad retirement or social security, may have enough quarters from both sources based on previous jobs to entitle his family to some payment at his death. The combining of the wages does not apply to the retired worker or his family, but only to survivors of deceased workers.

"Since the Railroad Retirement Board now pays survivor benefits very similar to those paid by social security, it is important those having partial work under both programs realize that protection for the family may now be available. To find out the total quarters work to his credit a person may ask for the full information through his local social security office."

The San Mateo office is located at 42 North B street, and is open from 9 a.m. to 5 p.m. Monday through Friday.

MEND YOUR WAYS

Perhaps the old adage, "A stitch in time saves nine" should be revised for the automobile driver to say "A signal in time may save nine stitches." Many traffic accidents are caused by failure of drivers to signal properly.

U. C. Men Report Cancer Hope

There is good reason to believe that the cancer problem eventually will be solved through the discovery of the nature of cancer cells and of the fundamental biological mechanisms which give rise to malignant disease. Before this eventual solution drugs effective against cancer may be found.

This was asserted today at the meeting here of the Radiological Society of North America by Dr. Michael Shimkin, director of the University of California Medical School Laboratory of Experimental Oncology, and Dr. H. R. Bierman, associate director.

"As important as any single scientific result in cancer research of recent years has been the great expansion of financial support for additional facilities and tarining of research personnel," the physicians said.

"Under the leadership of the U. S. Public Health Service and of the American Cancer Society, funds available for cancer research in the United States have increased from something like one million dollars per year before the war to over 20 millions annually during the past two years. Results in research cannot simply be bought, of course, but the essential ingredients for expanded, accelerated investigations are now being provided. It is now possible to plan long-term research of fundamental significance. It is also possible to close the wide gap that has existed between laboratory findings and their clinical trial and application, and to develop and exploit quickly the present leads and future achievements of cancer research."
